DIRECTORY
SPRING 2020

WELCOME TO THE 2020 SPRING EDITION OF OUR DIRECTORY.

This new edition of our Directory shows all of the great new introductions that were added during the fall of 2019. This directory will be replaced by our newly redesigned full catalog which we will launch in April or May of 2020.

This directory is designed as a workbook which gives you a reference for all changes made to our finishing and model options for the first part of 2020, but we have more great introduction coming during this exciting year.

Some of the changes include our new color palate which adds some brighter colors which offer a contrast to so much of the darker and grey furniture currently available in the market. Our new models include items with cleaner lines and a more contemporary look. As ever our items are built to the highest quality using solid mahogany, where others use mdf.

We are really proud of the changes we are making and will continue to make over the coming years, and we are very thankful to you, our great customers, for making us one of your valued vendors.

Sincerely,

A handwritten signature in blue ink that reads "Rob Bramble". The signature is fluid and cursive, with the first name "Rob" and last name "Bramble" clearly distinguishable.

Robert Bramble
